| JUDGE'S                | Variety and competition were the highlight of this show. Very experienced exhibitors with a nice variety in each section. This would be a show to attend for learning about serveral special varieties. |                     |      |      |        |                     |        |

| JUDGE'S                                            | Show staff is the highlight of this event. Judge's choice - a silver gouldian male. There was good competition and some very nice exhibitor bred birds. This is a show to put on your list to attend. |                     |      |      |      |                       |        |

| <b>JUDGE'S</b>                | Excellent show. Organized. A variety of finches with nice set of gouldians. Despite the gouldians were on the large size they were able to maintain their conformation and excellent condition.                             |             |                     |             |          |                             |               |

| <b>JUDGE'S</b>                | Judge's special awarded to a European crested society by Danny Harber. Very nice birds. Many should be shown at the National Bird Show. The exhibitors seem to have a good eye for quality and most were bred by exhibitor. |             |                     |             |          |                             |               |
